Seafood - great views of the intercoastal and Ocean.

Acme

<http://acmelowcountrykitchen.com/>

This is a fantastic brunch place in addition to dinner famous for its pimento cheese grits.

Don't let the appearance fool you! 😊

The Refuge

This is at the Marina. Great outdoor space where fishing boats take off.

Windjammer

<https://the-windjammer.com/>

A hole-in-the-wall bar. Right on the beach with volleyball and live music several nights a week. A must-go for a happy hour. Good bar food. Check dates for music. The band sets up outside overlooking the ocean.

Sullivans Island is right next to Isle-of-Palms and has several great restaurants and great shopping.
